ERCSWMA adds another Valuable Service

Need to easily and properly get rid of old latex paint? During this past year, in conjunction with the Northeast Management Officials Association, ERCSWMA studied the waste latex paint situation in our communities and we are pleased to present our latex paint recycling program.

Beginning January 2015, the authority offices -- located at 21 Church Street Melrose NY -- will start accepting latex paint from surrounding communities. The authority will accept the waste paint Thursday 11-7, Friday 9-5 and Saturdays 9-4. We will also accept it by appointment Monday thru Wednesday. In order to properly manage the paint, there is a user fee of 2 dollars (\$2.00) per gallon. A user fee means that only those who use the service, pay for the service. Once a truck load of waste paint has been accumulated, it will be shipped to a recycling facility. Through the recycling process, a certain percentage of leftover paint is used. All metal and plastics cans are scrapped dry and sent for recycling. Any remaining unusable paint is dried and sent for disposal along with other non-recyclable materials from the process.

We are pleased to add this service for our residents. It's always nice to add a new item to an otherwise long list of services already provided by your waste authority. Please feel free to call us or check our web site for additional information.

Sincerely,

Matt Curley
Executive Director
