PLANNING BOARD  
OCTOBER 21, 2015**

**Present:** Tad Johnston  
Mark Wochinger  
Ellen Allen  
John Goodlow

**Absent:** Barbara Milano

The meeting was called to order at 7:00 PM by Tad Johnston.

**OLD BUSINESS**

Tad makes a motion to approve the August 19, 2015 minutes as amended and seconded by Mark. Board unanimously approves.

Tad says he has heard nothing from Frank Palladino.

There were two tentative items on tonight's agenda: 1) a solar application from Paul Puccio and Monolith for 86 Seaman Avenue, Castleton, NY; and 2) a siding application (historic review) from Harold Hammond for 14 N. Main Street, Castleton, NY. Neither of these individuals came to tonight's meeting, although Tad spoke with both to appear tonight. Tad will follow-up and inform Gary Ziegler no one showed.

John informs he will be away beginning in December and will be returning in time for the February meeting.

Tad makes a motion to adjourn, seconded by Mark. The meeting is closed at 7:50 p.m.

The next scheduled regular meeting is **November 18, 2015 at 7:00 p.m.**

Respectfully submitted,

Helen Barrington, Recording Secretary
