

Specifications & Description of Materials

Property Address _____ **Permit Number** _____

Contractor: _____ Phone # _____

Contractors Address _____

Designer: _____ Phone # _____

Designers Address _____

Footing: Mix _____ Size _____

Foundation: Wall Material _____ Size _____ Rebar's _____

Interior Foundation Wall: _____

Columns – Material _____

Girders – Material & Size _____

Waterproofing _____

Piers – Size _____

Footing Drains: _____ (inside to pump pit or to outside)

Slab _____

Crawl Space _____

Foundation Vents _____

Foundation/Slab Insulation _____

Chimney(s) _____ Material _____ Flue Size _____ Cleanout Door _____

Fireplaces: _____ Type _____ Flue Lining: Type _____ Size _____

Exterior Walls: Wood frame _____ Sheathing _____

Siding: _____ Masonry Veneer: _____

Building Paper _____ Lintels _____

Floor Joist Grade: _____ Size _____ o.c. _____

Bridging type: _____ Spacing _____

Sub flooring Material: _____ Size _____

Finish Floor Materials _____

Partition Framing Material _____ o.c. _____

Ceiling Faming Material _____ o.c. _____

Ceiling Bridging Material _____ Spacing _____ Finish Material _____

Roof Framing Material _____ o.c. _____

Collar Ties _____

Ridge Size _____ Trusses _____ o.c. _____

Roofing Material: Sheeting _____ Size _____

Underlay _____ Roofing _____ Weight _____

Interior Wall Materials _____ Size _____

Stairs: Basement _____ Main _____

Rise and Run _____ Handrails _____

(OVER)

Access To Attic _____

Plumbing: Sink(s) _____

Lavatory (s) _____

Watercloset (s) _____

Bath Tub (s) _____

Stall Shower (s) _____

Laundry Tray (s) _____

Plumbing Vents: Toilet(s) _____

Sink(s) _____

Shower Stall(s) _____

Laundry Tub(s) _____

Sewage Disposal: _____

Heating System Type: _____

Insulation: _____

Foundation: _____ Floor _____

Walls _____ Ceiling /Roof _____

Porches: Number of _____ Footing size(s) _____ Depth below grade _____

Foundation material _____ Size _____

Garage(s)...(attached)...(detached)...(under living space) Size of garage _____

Footing size _____, Depth below grade _____, Foundation size _____

Foundation Material _____, Type of construction _____

Fireproof wall assembly _____

Electrical: rough and final inspections by village approved third party inspection agency.

Remarks: _____

I, the undersigned do hereby agree to furnish, supply and install the aforementioned materials and comply with the specifications set forth above in conjunction with the approved plans for the erection and construction of the building(s) and/or structures for which plans were submitted and approved.

Date: / / , Signature _____
