

The Village sewage treatment plant facilities are operated and maintained, routinely testing and treating, per New York State Department of Environmental Conservation requirements.

Refuse, Water, & Sewer Billing

The Village bills four times a year for Refuse, Sewer and Water. These bills are sent out on June 1st, September 1st, December 1st and March 1st and are due at the end of the month they are sent out. They can be paid by cash, money order or check in person or sent in by mail. Please note that payment by mail must be postmarked by the last day of the month in order to avoid a penalty. Any unpaid Refuse, Sewer and Water bills at the end of May will be relevied onto the Village Tax Bill.
